

ATH Bike Lift® 7

Product Images

Short Description

The ATH Bike Lift® 7 is a high-quality motorcycle lift with a 700 kg capacity and hydraulic drive, designed to require minimal maintenance. The powerful 230 V (C16A) hydraulic power unit delivers reliable lifting performance for daily workshop use. A removable center plate allows unobstructed access to the front and rear wheels and provides maximum flexibility for service, maintenance and repair work on motorcycles.

Description

High-quality and robust motorcycle lift with hydraulic drive, almost maintenance-free

Powerful hydraulic unit (230V / C16A)

Removable plate for free work on the rear and front tires

Protective hose over the hydraulic lines

With the automatic ramp retraction function during lifting, tripping hazards are avoided

Fixed aluminium plate specially designed to hold mini motorcycle stands

Emergency lowering system for lowering in the event of a power failure

Pneumatic wheel holder included for ATH-Bike Lift 7F and 7QF

Optional mini motorcycle stand: Item no.: 670025
