

ATH Bike Lift® 7F

Product Images

Short Description

The ATH Bike Lift® 7F is a high-quality motorcycle lift with a 700 kg capacity and hydraulic drive, designed to require minimal maintenance. The powerful 230 V (C16A) hydraulic power unit delivers reliable lifting performance for daily workshop use. A removable center plate allows unobstructed access to the front and rear wheels. The pneumatic wheel clamp with a practical folding function ensures secure fixation and comfortable working on motorcycles.

Description

- High-quality and robust motorcycle lift with hydraulic drive, almost maintenance-free
- Powerful hydraulic unit (230V / C16A)
- Removable plate for free work on the rear and front tires
- Protective hose over the hydraulic lines
- With the automatic ramp retraction function during lifting, tripping hazards are avoided
- Fixed aluminium plate specially designed to hold mini motorcycle stands
- Emergency lowering system for lowering in the event of a power failure
- Pneumatic wheel holder included for ATH-Bike Lift 7F and 7QF
- Optional mini motorcycle stand: Item no.: 670025

Additional Information
